Highlights

Moisture-resistant neoprene
This neoprene case adds a padded, moisture-resistant layer to your device, protecting it against sweat and the elements while you exercise.

Outer panel to clip shuffle

Clip your iPod shuffle to the outer panel for convenient access while you exercise. This allows you to use the pocket to hold a small key or cash.

Outer panel to manage cord

Wrap your headphone cord through the outer panel of fabric to keep it neat and out of your way while you exercise. It's quick and simple cord management!
